Car Servicing & Maintenance

Description

[et_pb_section fb_built=â?•1â?³ background_color=â?•#ffffffâ?• custom_padding=â?• 60px||60px||false|falseâ?•][et_pb_row][et_pb_column type=â?•4_4â?³][et_pb_heading title=â?•Car Servicing & Maintenance in Lanzaroteâ?• title_level=â?•h2â?³][/et_pb_heading]
[et_pb_text]

Routine servicing protects reliability and gives small faults a chance to be found before they become expensive repairs. Services are carried out using quality parts and the correct oil specification for the vehicle.

Typical service work

default watermark

- Oil and filter changes
- Full scheduled servicing
- Air, fuel and cabin filters
- Spark plugs and routine ignition items
- Brake, tyre, suspension and fluid checks
- Service-indicator reset where supported

Digital service history

Vehicles serviced by British Qualified Mechanic can receive a downloadable digital service record that can be kept on your phone, together with service reminders and a useful maintenance history for future ownership or sale.

A proper service is about more than changing the oil. Our 114-point service check follows a structured inspection of your vehicle, helping identify wear, leaks and safety concerns alongside its scheduled maintenance.

The inspection covers the main areas below, with individual checks carried out where applicable to your vehicle and accessible during the service.

Clear advice on what needs attention

We explain the findings, highlight anything needing urgent attention and identify items to monitor or plan for. Where useful, photos or video help show you the issue. Any additional repairs are discussed and agreed before work goes ahead.

What is included? The 114-point check is an inspection, not 114 replacement items. Oil, filters, other service parts and additional repairs depend on the service booked and the vehicleâ??s requirements. Ask us to confirm the scope when booking. The check does not replace an ITV inspection or a separate investigation of a specific fault.
